

Remembering a great volunteer

Jack Wellman who volunteered in construction for 25 years, died on Sept. 15th. at the age of 86. He was famous for his jokes and songs and most of all for the daily prayer preceded by his call, loud and clear, of "*BREAK TIME!*" He attended almost every build day, and loved working for Habitat. Jack will always be remembered and very much missed by everyone. He worked with many volunteers & families on a large number of the of the homes we have built.

Our families- future home owners

Denise (right) with volunteers Sarah Adams and Anne Tolley

Denise Barr- our newest future home owner .
Denise began her sweat equity on 10th Oct, and is really enjoying making friends in the

Re-Store. She will be the first to move into our upcoming build of 7 patio homes on Live Oak St, Edgewater, beginning in 2018. The 1 & 2 bedroom homes will be designed for small households of limited income. Denise is a nurse, now unable to work due to disabilities, and has had a long struggle since 1992, having had to move many times." A place of my own! Stability & independence! No more living out of storage units or on a friend's sofa." She is very excited to be on the program and her goal in life is to help others as much as she can.

Team Builds

Thanks to teams from the community regularly who offer their help to SEV Habitat.

In Oct and Nov, the Rotary Club, Lineman College, Frontline Insurance, Knights of Columbus, Humana, Alliance Young Adults, Watson Realty, Church of Jesus

Christ of Latter Day Saints, and Spruce Creek H.S, Campus Chapter are helping at the store and in construction.
